

# LITO Private Hospital

COMPREHENSIVE MEDICAL CARE  
FOR ALL OUR PATIENTS

The LITO is a modern high standard medical facility Private Hospital, located in Paralimni, Cyprus. It is certified with the European Standards of ISO9001:2000 and ISO2200:2005. We are also members of Trend Accreditation Scheme - U.K.

Our hospital has 24 en-suite single and double rooms, each equipped with a telephone, satellite television, air condition and central heating.

A specially equipped neonate room is also available at our facility.

We have over 36 doctors practicing from our hospital, offering a wide selection of medical treatments 24 hours a day.

Our in-house diagnostics center is fully equipped, housing the latest technology. We offer endoscopy, cardiac echo and stress tests. Osteoporosis, Dexa test and lung function tests are an example of the many diagnostic tests we have on offer.

The radiology department offers basic radiology, spiral CT scanning, high quality ultrasound and mammography.

Our laboratory also offers a full range of blood, urine and stool

tests as well as blood gases analysis.

We employ multi-lingual personnel in all our Hospitals departments, from medical and administration staff to our ward nurses.

Our skilled office administrators, service-driven reception personnel and our insurance department will liaise swiftly with either travel or personal insurance issues, on your behalf.

In order to facilitate for the needs of our patients and for all tourists, we have a First Aid Station in Ayia Napa and an Out Patient Day Care Clinic in Protaras. We also own 4 fully equipped ambulances which are on call 24 hour a day. Our Doctors are also available for your convenience either for hospital appointments or hotel visits, as Lito is the appointed private hospital used by most of the reputable Hotel Groups and Tour Operators.

- The Hospital complies with international safety and security regulations and is equipped with fire detection and alarm systems.
- Smoke detectors are installed on all floors.
- In the event fire **DO NOT USE ELEVATORS**.
- There are 2 elevators on each floor. In case of an emergency and you are trapped in an elevator, remain calm and inform the operator via the lift telephone.
- Fire exits are clearly marked on each floor. On each door of each room there is an emergency plan marking all the exits and assembly points.
- The use of mobile telephones is not allowed in the wards or rooms as this may affect any medical equipment.

## Casualty & Emergency Unit

It is situated on the ground floor of the hospital.  
On 24 hours base.

## Inpatient

Upon arrival at LITO Private Hospital, please report to main reception on ground floor (main entrance), unless your doctor gives you alternative instructions. The receptionist will check and update all your personal details in the computer and direct you to the appropriate ward or department.

All wards and departments at LITO Private Hospital have an interpreting service. Please ask at the reception for more info.

Upon admission, either the doctor or nurses will advise you of what can eat or drink.

<b>BREAKFAST</b>	<b>7:30 am</b>
------------------	----------------

<b>LUNCH</b>	<b>12:30 pm</b>
--------------	-----------------

<b>SUPPER</b>	<b>19:00 pm</b>
---------------	-----------------

**Friends & relatives may telephone the ward to find out how you are getting on, but for reasons of confidentiality, no detailed medical information will be given over the telephone.**

## Outpatient Services

Upon arrival or discharge from LITO Private Hospital, it is imperative you visit the reception or administration desks to ensure that all your paperwork is in order, insurance forms are filled in, medical reports ect. Make sure that you have received instructions for medication and follow-up visits. If you will be visiting a doctor you **MUST** first register yourselves at the reception or administration desks, where you will receive a registration form with your patient number.

After you have seen the doctor, you must return the registration form to the reception or administration desks for the settlement of doctors' fee.

## Patients Advice and Liaison Service Department

The patients advice and liaison service department is available to provide patients and their families with confidential on – the – spot help and advice.

Sometimes people don't know where to get help. We care that first port of call for support. We can also provide important information for patients about the health service. If you are an inpatient and wish to be visited while you are in the ward, please ask a member of staff, or a relative to contact us on your behalf.

What we aim to do:

- Solve problems quickly on your behalf.
- Listen to your concerns, suggestions and queries and provide the support you need.

Supply information on LITO Private Hospital services

## Insurance Handling Desk

We are contracted and collaborating with all European Travel and private insurance companies.

Therefore our Insurance department can deal directly with the insurances companies on your behalf.

The reception will be happy to assist you with any queries you may have.

Upon discharge from the LITO Private Hospital, it is imperative that you visit the Insurance desk (at the main reception) for completion of essential actuarial forms.

## Accounts Department

For settlement of your invoice or account please visit our Accounts department.

If your account is not ready upon discharge then the accounts department will inform you by phone for your expenses within 1 week, approximately.
